MORHUN OLHA

QA TRAINEE

MOTIVATION

I'm a QA Trainee with practical testing experience, which I got from the GreenCity social project at SoftServe and BestFriends website at QATestlab. I have 3+ months of experience in requirements testing, test cases creation and execution, bug reporting, REST API testing, writing of SQL queries, working in a team by SCRUM.

WORK EXPERIENCE

Quality Control at GreenCity social project

SoftServe | Apr 2023 - Jun 2023

Three months of Quality Control experience in:

- requirements testing - 10 user stories,
- test cases creation and execution - 100 test cases,
- defect reporting - 100 bug reports,
- API testing - 50 requests,
- writing of SQL queries - 200 pcs,
- working in QC team by SCRUM during three Sprints.

Tools: Jira, Git, Postman, SQLite, Jmeter, Confluence.
